

DOSS COUNSELING

February 2025 | Doss Elementary

No Place for Hate Library Collaboration

This month we are collaborating with our librarians for a No Place for Hate Activity. The book, Paper Bag Princess by Robert Munsch, will be in the story stroll and the librarians will be reading it during their library lessons.

Later in the month, we will focus our counselor lessons around how to "be your own hero," just like the princess in the story. Teaching our students how to feel confident and be their authentic selves is important. We want our students to increase self-esteem, focus on their strengths, and build confidence and resilience from within.

School Counselor Week

We are truly honored to work with your students each day. As we enter the first week of February, we want to remind everyone that counseling is for all students. We are here to offer love, inspiration, and unwavering support as they work toward reaching their full potential.

Upcoming

Join us at 8 a.m. on March 7th at the Parent Principal Coffee to learn about social media and online safety for kids.
