Winter Wishes Recap

Winter Wishes sponsors, thank you again for your overwhelming generosity! Because of your selfless giving, we were able to support 57 Doss families and 19 T.A. Brown families. That means that nearly 200 children received gifts for the holidays through Winter Wishes.

CREST Award

The Texas School Counselor Association gives the CREST award to schools who have demonstrated a commitment to using the Texas Model to improve the lives and achievement of students in academic, career, and personal social domains. The Doss Counseling program has earned the CREST Leadership Award for 2024, making this the 5th year in a row to receive the CREST designation. We are incredibly proud as it highlights the commitment we have to our Doss students and the success of each child and their family.
